MONTE

ADMINISTRATION
FACULTY

Class Of 1980. . . Our Story

In the fall of 1977, 120 eager sophomores arrived on the steps of Monte High School. Before we even had a chance to get our locker numbers memorized, we elected our class officers - Corky Floch, president; Jerry Benedict, vice-president; Connie Murphy, secretary; Traci Enz, Treasurer; and Theresa Bowe, A.S.B. Representative.

We had a lot of athletic people that first year. With the swift legs of 2 sophomores, our cross country team placed 1st in league and 2nd at districts. Thirteen of our muscle men turned out for a rough season against some big teams in Football.

During Monte's first year of Volleyball, we saw 4 girls from the class of '80 spiking and bumping the ball around. We also had 3 swingers on the girl's Tennis team.

Boy's Basketball had 3 sophomores and 6 J.V. players aiming for that big elusive hoop. The season was kind sluggish.

When we looked at girl's Basketball we saw 3 girls trying out for varsity and J.V. was comprised of 7 sophomores.

The '78 grapplers consisted of 6 of our men who became league champs and placed 4th in the district tourney.

As the days started to get longer we had 3 boys volleying the ball around on the Tennis team. Although they didn't win any matches there were a lot of improvements.

The boy's Track team included 5 sophomores while the girl's had 14. Both teams had outstanding seasons thanks to the help of those Super Sophs of course.

Last, but certainly not the least of the sports year was golf. Five of our guys tried their luck at putting.

Sports were not the only activities that were going on our Sophomore year. Nineteen girls were supporting the teams in Pep Club. Lori Triggs was pepster of the month for January. We had 16 in GAL. Teri Zillyett was treasurer and Theresa Bowe was class rep. for Girls League. There were 7 sophs in stage band blowing their hearts out.

In September of 1978 we were welcomed back as juniors by a new administration. We learned in a hurry what we were in for.

We elected Theresa Bowe, President; Scott Dobson, Vice-President; Connie Murphy, Secretary; Dean Skaramuca, A.S.B. Rep; and Chris Church, Treasurer.

This was a year of involvement and the juniors weren't about to go unnoticed. We had close to 20 members in the foreign language clubs. Four new clubs were organized at MHS. Drama Club included 3 juniors, Radio Club had 3 members, six juniors tried their luck at skiing in the Ski Club, and Letterman's Club had 8 of our guys. Honor Society included 15 outstanding juniors.

We also had some musical people in our class. Three girls were in Music Makers while Stage Band collected 9 of our class members.

Girls League Vice-President was Teri Zillyett, Secretary, Theresa Bowe; and Junior Rep, Patty Danner. Teri, Jody Rudrud and Tami Pattison were girls of the month.

Sixteen girls were active in Pep Club. Lori Triggs was Vice-President; Connie Murphy, Treasurer; Kim Grandstrom, Secretary; and Jody Rudrud, Junior Rep. Kirsten Moore and Lori Triggs were pepsters of the month.

Denyce Giles and Connie Murphy were on Pepstaff and Michelle Blythe was a wrestling cheerleader.

1978-79 was a very outstanding year for our sports department. With the muscle and determination of 12 juniors, the Football team captured the Far West League title. The Maroon Mungas included 4 junior boys and 1 girl. Both teams won the league championship.

Girls Tennis saw six juniors showing great form on the courts. Three girls spiked the varsity Volleyball team while 2 were on J.V.

It was a great year for Basketball. Four juniors were influential in helping the team on to state. J.V. included 3 boys. Girls Basketball had 3 juniors dribbling the ball and 3 on J.V.

With the muscle of 5 of our muscle men, the Wrestlers captured League and Regionals titles.

When spring rolled around, the sun brought out lots of junior legs running around the track. Six boys and 6 girls huffed and puffed their way onto glory.

Boys Tennis collected 4 enthusiastic juniors and Golf consisted of 2.

All in all it was a pretty exciting year.

On September 6, 1979 "Our Year" finally arrived. We came well prepared to make it an outstanding Senior year. Class officers were chosen and we saw Connie Murphy, President; Dean Skaramuca, Vice-President; Shannon Pope, Secretary; Dave Skaramuca, Treasurer; and Lori Lindstrom, A.S.B. Rep.

As usual MHS had another incredible year in sports and activities thanks to the hard work of the class of '80. Fifteen seniors were on the grid iron. We captured the Far West League title for the second year in a row. The Cross Country team rounded off the season quite nicely. Three senior boys participated in capturing 2nd place at state and 1 girl helped out her fellow running mated placed 3rd.

Five girls from our class did their thing on the tennis courts and 4 turned out to set, bump, and spike in a game called Volleyball.

The grapplers had a fine year with 5 seniors wrestling their way on to victory with Tim Reino making it to state. The 1980 hoopsters were league champs once again with the fine shooting ability of 4 of our men.

Our sports department would never have done as well as they did without the spirit and enthusiasm of our cheerleaders. Denyce Giles, Connie Murphy, and Melissa Nevills did a great job for football and basketball while Michelle Blyth rooted on the wrestlers.

When springtime rolled around people decided to shake off those long winter blahs by hitting balls in Tennis and Golf. Three senior boys were on the Tennis team while 2 putters participated in Golf.

Throughout the year there were a lot of other class members involved in clubs and organizations. Pep Club had a busy year with 16 senior girls active in supporting the teams. Lori Triggs was President, Connie Murphy, A.S.B. Rep; and Shelly Parkinson, Senior Rep. Three girls were pepsters of the month - Theresa Bowe, Kirsten Moore, and Lori Triggs. Lori was also chosen pepster of the year.

Letterman's Club consisted of 13 seniors with Brad Louthan - President, Dean Bohren - Treasurer, Steve Alderman - Secretary, and Corky Floch - Sgt. at Arms. Six girls from our class were in GAL. Connie Murphy was President, Melissa Nevills - A.S.B. Rep. and Kirsten Moore - Senior Rep. Two seniors were also in Matmaids.

The foreign language clubs collected 4 seniors in Spanish Club, 1 in German, and 2 in French. Drama Club had one senior.

Honor Society struck up a couple points with 23 senior members and an all female cabinet. They included Jody Rudrud, President; Teri Zillyett, Vice-President; Joelene Holley, Treasurer; and Tani Chandler, Secretary. Forty-two seniors graduated with honors. Jerry Benedict was President of A.S.B., Patty Danner, Treasurer; and Teri Zillyett, Business Manager.

Our Music department had an outstanding year with 6 seniors in Music Makers and 7 in Stage Band.

We all enjoyed reading the "Bulldog" and it wouldn't have been possible without the skill of 8 seniors, with Pat Walker as editor. Another important part of our high school years was the yearbook. Ten seniors participated in putting this year's book together. They were led by editor Jody Davidson.

Teri Zillyett was President of Girls League, Patty Danner-A.S.B. Rep.; and Jody Davidson-Senior Rep. Seniors dominated the girls of the month honors. They were Karol Danner, Joelene Holley, Theresa Bowe, Anita Thomas and Patty Danner. Teri was chosen girl of the year.

In March the Miss Grays Harbor Pagent was held and when it was over, our own Connie Murphy was crowned with the title. Karen Nixon, Kirsten Moore, Denyce Giled and Susan Brittain also participated in the pagent. But that wasn't the only royalty we had.

At the annual Homecoming dance, Dean Skaramuca and Laurie Keel were crowned King and Queen. Melissa Nevills and Jeff Reams were Hillbilly Tolo royalty and Dean Bohren and Teri Zillyett were chosen King and Queen of Jr.-Sr. Ball.

The week before graduation, the class of '80 had an ORGANIZED skip. The so called faces of 6 very daring and baring members will not soon be forgotten.

With finals and last minute preparations out of the way, May 30th finally arrived. It was very evident that our class colors were those of the rainbow. We used the motto, "Even though clouds may come our way, a rainbow always follows." We arrived an hour early with sweaty palms, tearful eyes, and a bad case of the jitters. There was also a great sense of relief that 12 years of ups and downs would soon be over.

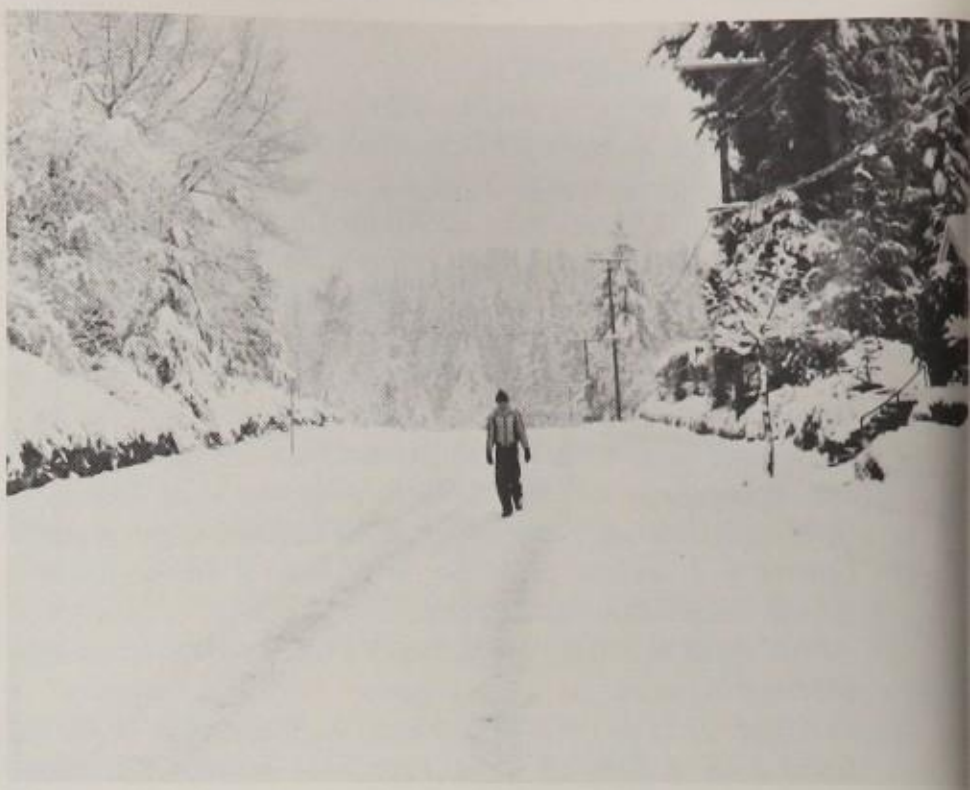
Senioritis Is. . .

. . . Getting out of school because of the snow!

. . . making it a extra long lunch hour (and getting away with it).

. . . trying to understand the teachers thinking?

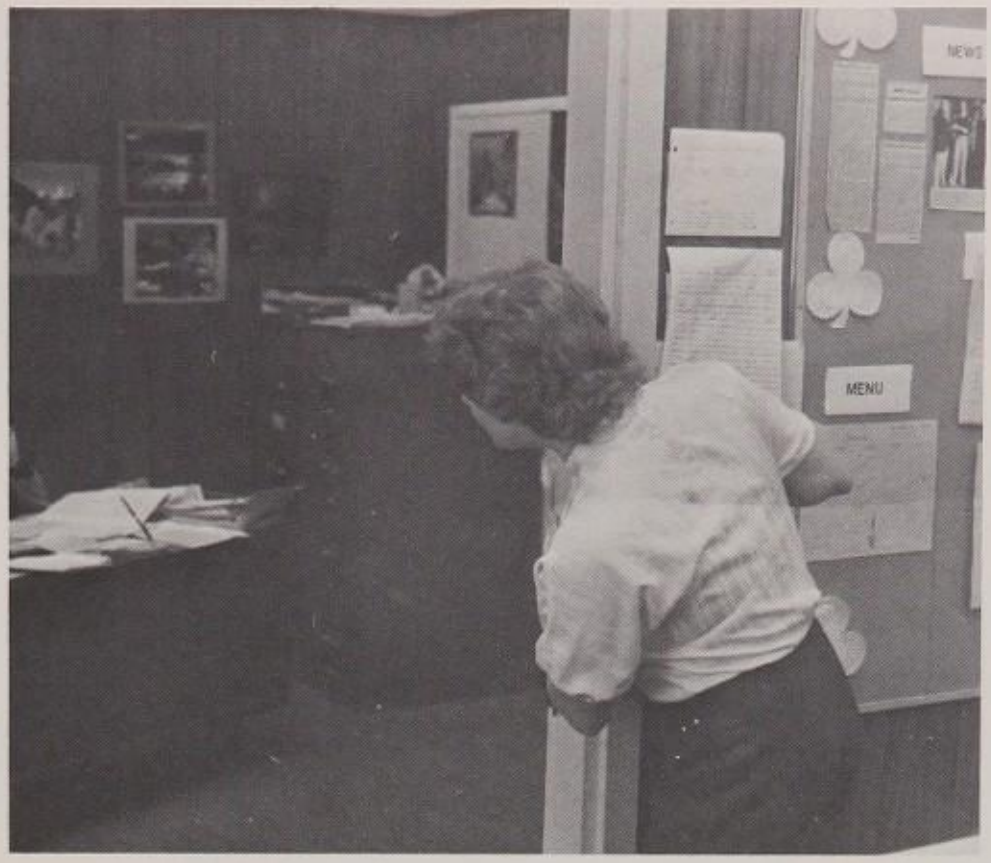


. . . doing the crazy things we do.

. . . trying to keep yourself amused during class.

. . . putting your best end forward

. . . trying to memorize your social security number.



. . . getting the uncontrollable urge to see what the vice-principals office looks like.

. . standing on the threshold of adulthood-and not at all ure you want to be there!!

. . . being a jock.

Sylvan Staff

The Yearbook staff of 1979-80 was supervised by Ms. Arthur. The class consisted of five main cameramen; Gary Davis, Ted Baker, John Raymond, Dean Skaramuca, Greg Micheau, and a sixth, Jeff Reams, who also took a lot of the pictures when we were in need of some fast work. The editor was Jody Davidson assisted by many others in the class such as Kirsten Moore, Karen Nixon, Teri Zillyett, Melissa Nevills, Lori Lindstrom & Kim Vessey. Other individuals that worked on layouts and selling ads for the Sylvan were Rip Caswell, photography editor; Gary Benedict, Steve Alderman, Mark Lukin, as sports editors; Denny Dierick, Julie Moore, Sue Henwood, Darcy Sackrider; with Alan Hewson, in charge of the darkroom. The class met with the problems of inflation and had to work extra hard to raise enough money for the kind of yearbook they thought the school would appreciate.

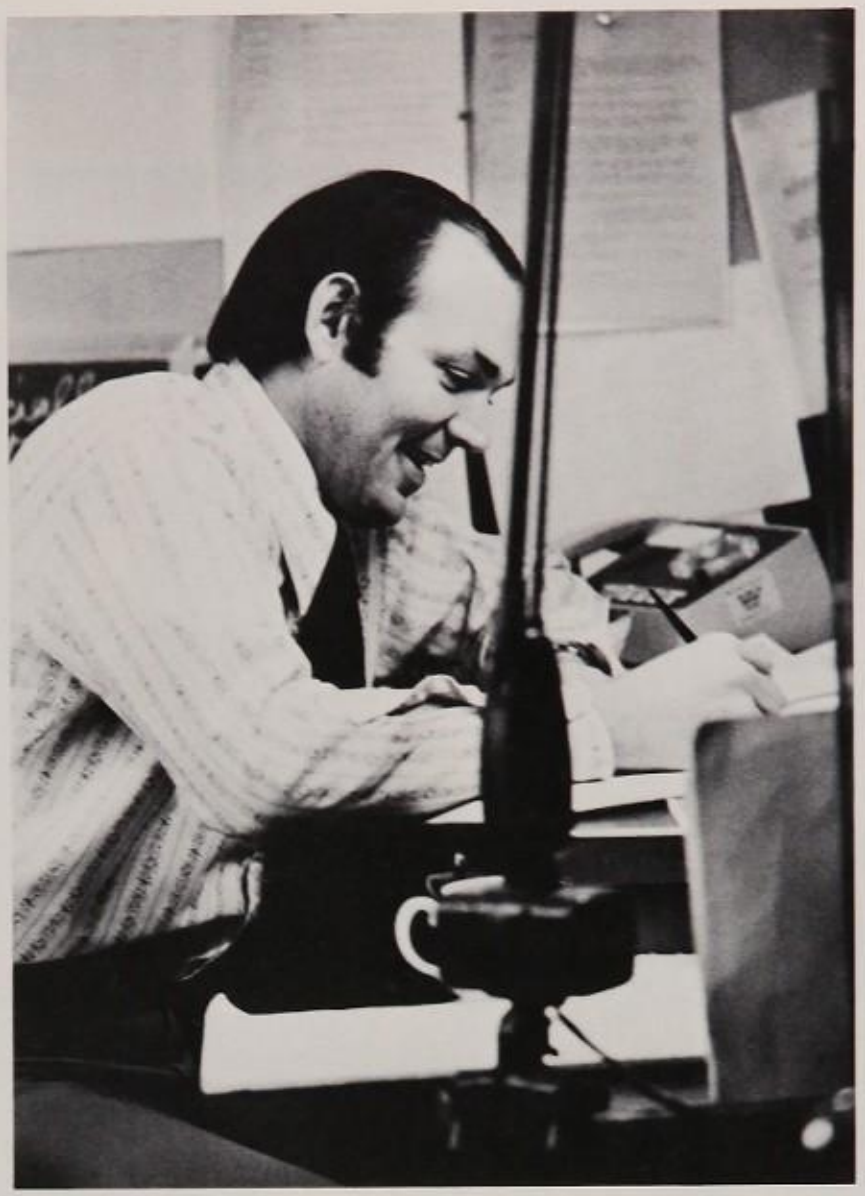
School Administration

Making the decisions for the Montesano School District this year were school board members Dick Hliboki, Ann Berg, Bob Cole, Kay Vincent, and James Coker. Mr. Hliboki was the Board Chairman.

Superintendent Richard Torrens

Vice-Principal Ron Bennett



Principal Bill Denholm

Mr. Bennett, Mr. Denhom, and Mr. Torrens came to Montesano High School to make the school Number One in the State, and to make the students proud of their school. They came here with a big challenge on their hands. One of the goals they have accomplished is getting the kids and faculty more interested in school activities. The students have more pride in the school, and in our athletic programs. They all like to work here because Teachers go all out for the students. It is also encouraging that students are working harder to make M.H.S. Number One in the State.

Our school bus drivers were Chris Lougheed, Marilyn Franks, Velma Millican, Ruth Valentine, Ron Wright, Barbara Whipple, Lorelei Sterns, Roy Monford.

The 1979-80 BULLDOG was as successful as ever in the year of the new decade. With 9 seniors and a host of underclassmen on the staff, advisor Mr. Bradt sometimes had to shake a few weary bones to get people going. The pictures taken by amateurs on the staff always dressed up the paper and made it more enjoyable to read. Certainly, the best issues of the year were Thanksgiving, Christmas, April Fool's and Senior editions. For the most part, the year went well for the paper and the rest at school.

Special thanks goes to Mrs. Westphal's Graphics Arts class for putting the paper out without delay. Their job was equally, if not more, important as the staff's was to write up the stories.

Pep Club had an outstanding year for 1979-80, with the largest membership they have had for the past two years. With President Lori Triggs, the pepsters sold Bulldogs Superteam Buttons and Halloween Insurance. To assist the cheerleaders in promoting school spirit, the Pep Club, along with Rottles and The Parts House, bought basketballs to throw out at home games. These projects raised money to sponsor after game dances and the annual Homecoming Dance on November 3rd.

This year, the selection of Homecoming court was changed. The new court consisted of 6 senior couples, 1 junior couple, 1 sophomore couple, and 1 freshmen couple.

Cheerleaders Continue

This year's cheerleading staff consisted of three seniors, Melissa Nevills, Denyce Giles, Connie Murphy, and three juniors, Linda Manley, Lisa Triggs, Debi Pelligrino. Last summer they had a great time at cheerleading camp in Ellensburg, and a one day camp in Federal Way. The cheerleaders led the fans at all football and basketball games, leading the bulldogs on to victory. Special thanks goes to Mrs. Davidson, their advisor, for the time she spent helping.

The wrestling cheerleaders had three juniors, Jackie Weaver, Val Cornwell, Kelly Focht, and one senior, Michelle Bythe. This year they cheered for wrestling along with crosscountry. Both cheerleading squads continue sparking spirit with their enthusiasm.

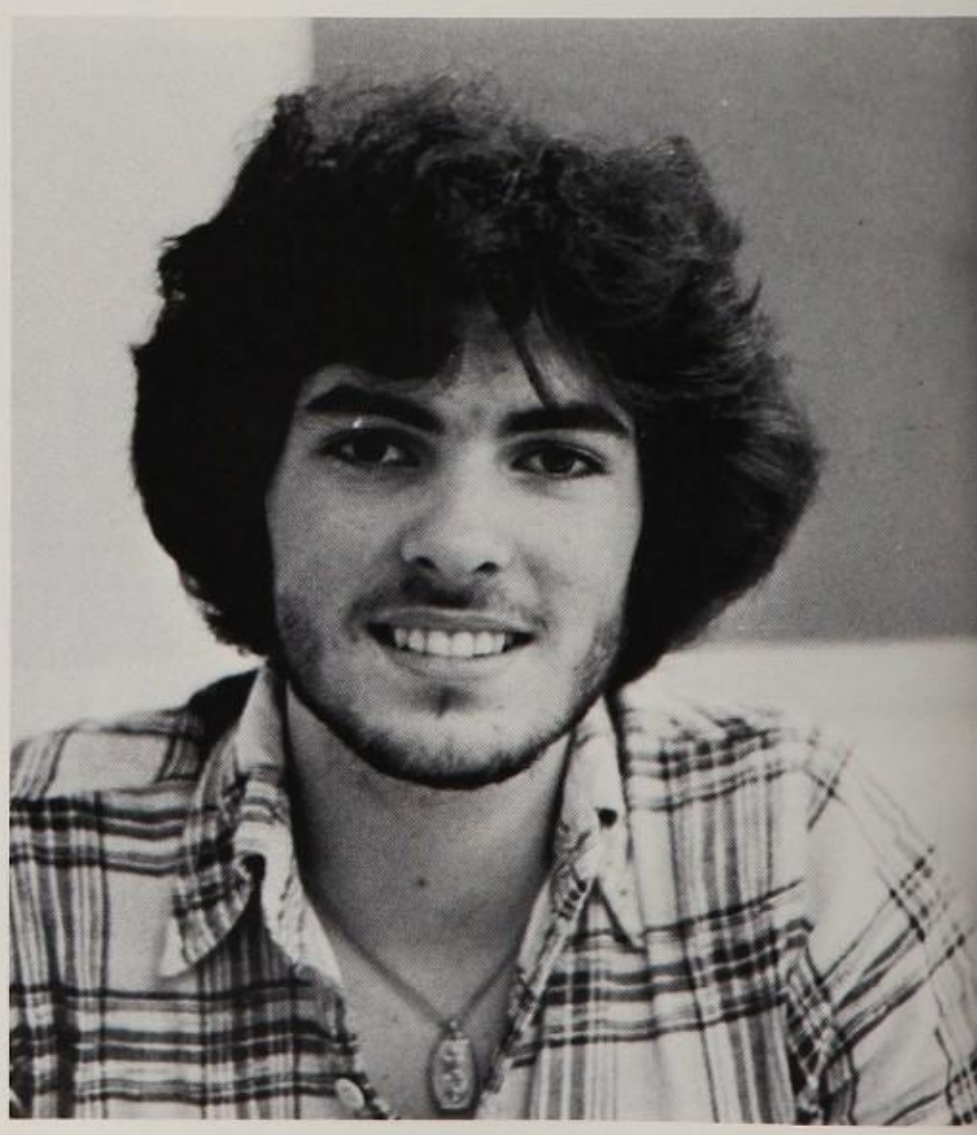
The wrestlers might not have gone to state without the support of the matmaids. The matmaids sold candy bars and T-shirts that had Monte Wrestling on them. With the money they earned they bought refreshments to give to the wrestlers after they're done with their match. The matmaids also made pins to give to the wrestler when they pinned an opponent.

Something new the matmaids did this year was pick matmaid of the month. They were picked on how much they helped at games and how much they helped out the club.

Monte Is More Inter

Yoshiko Matsumoto finds Montesano a lot different than Izumi City, her hometown in Japan. "School is a main difference, here the teachers are friendly and in Japan we go to school 6 days a week."

Two exchange students from Mexico, Emilio Bouvet from Navojoa, and Lorena Sanchez from Ciudad O'bregon, had about the same things to say. "In Mexico we don't move from class to class, the teachers do. There are more activities here, and people are friendlier."



national Than We Think!

Rosana Cueva Mesia is a visiting Monte from Piura Peru. In her native country, Rosana attended a private school where everyone had to wear uniforms. She likes the school and activities that we have.

Vlady Pandura enjoys the basketball team and all of the pretty girls of Monte. Vlady is also from Ciudad O'bregon and says that the rain and snow are o.k. for awhile.

Girls League this year started off with the girls working busily in the concession stands selling pop, hotdogs, candy, coffee and popcorn. In October we had a pumpkin pie sale and in February a cherry pie sale, both of which went very well. Again in December Santa made his way back to Monte High to have pictures taken before he rushed back home to Mrs. Claus.

In February we bowled our fathers over at the Father-Daughter Bowling Party and honored our mothers at Mother-Daughter Tea in May.

And y'all 'member Hillbilly Tolo where couples kicked up their heels and had a wooping of a time.

Entertainment highlights were Maria Warwick showing us her self-defense, Kathy Ronald dancing with her 2 young helpers and our X-mas program where all the classes did a wonderful job of entertaining us.

Many thanks goes to our worthy advisor, Mrs. Westphal, who helped us through the tight spots and our President, Teri Zillyett, for making Girls League an enjoyable year.

New officers: Susie Quinn, President; Debbie Charlberg, Vice-President; Julie Dahlstrom, Secretary; Becky Daniels, Treasurer; Kelly Focht, A.S.B. Rep.; Cathrine Furnia, Sr. Rep.; Shirley Wright, Jr. Rep.; Shelly Bray, Soph. Rep.; Janelle Schloz, Fresh. Rep.

Girls Of The Month

Mother Daughter Tea

Again this year Mother-Daughter Tea was a big success as each class performed a song dedicated to their Moms.

Seniors honored their Mothers with long-stemmed red roses after singing their traditional "Turn Around."

At the evenings end, Mrs. Westphal presented Lori Triggs and Joelene Holley each with a $200 scholarship sponsored by Girls League.

Teri Zillyett was chosen "Girl of the Year" by the past girls of the month.

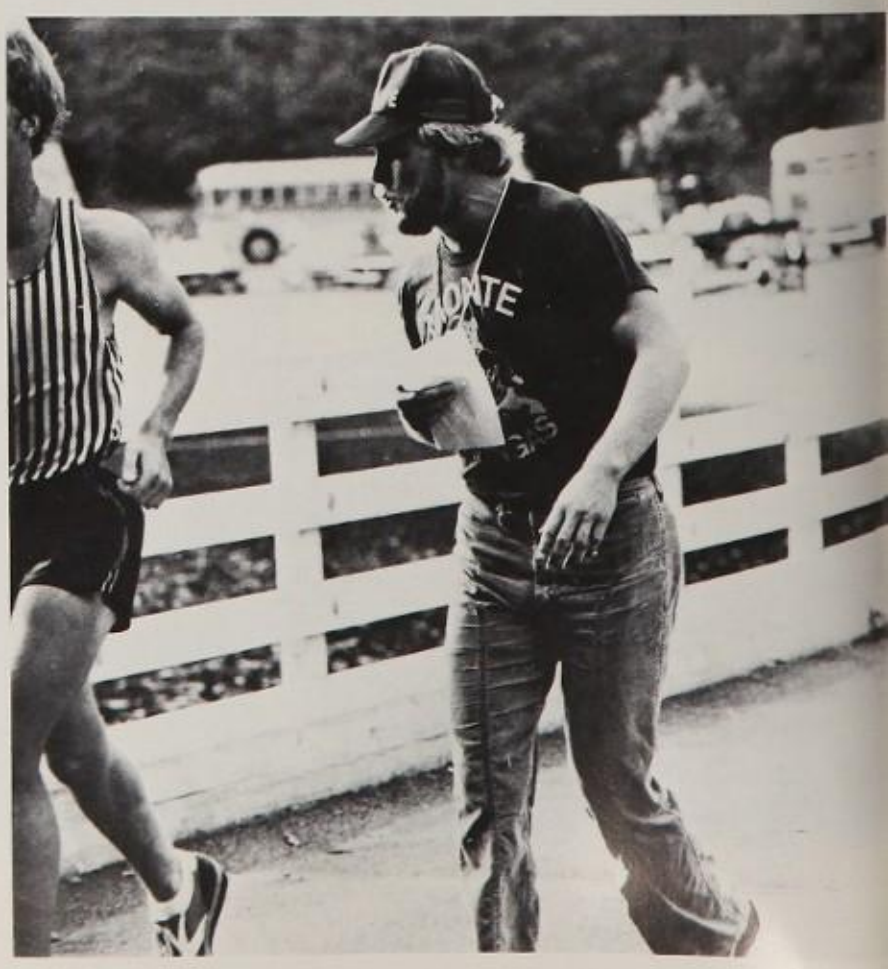
The 1979 Cross Country season was very successful in terms of victories. Neither the boys or girls teams was beaten during the regular season by a class A school. The Bulldogs had many young athletes turning out, so the future looks bright if the hard work continues. Coach Heyntsen commented on the past season, "I was really happy with the entire teams' performance this year. It happened through hard work and determination, and I hope that becomes a trademark in our program."



Kneeling L to R: Wendy Sheilds, Diane Moore, Debbie Hensen, Karen Dujmov, Julie Hliboki, Teresa Napiontek, Renee Golden, Kathy Focht. After the boys' disastrous race at League, they rebounded very well to finish 1st at District and 2nd in State, only two points from the State Championship. The leading runner for the boys was Paul Truax, who did an excellent job by placing 16th.

TENNIS POWER

Even though the girls tennis team didn't have a very good season record, they gave it all they had and had a lot of fun. Teri Zillyett played 1st singles, Denyce Giles played 2nd singles, Kirsten Moore played 3rd singles, Carrie Cookston and Patty Berglund played 1st doubles, and Tonya Zillyett and Shannon Light played 2nd doubles. The Monte girls weren't in a league this year so they just played local schools for practice. They did send five acers to sub-districts. Those five were Carrie Cookston, Patty Berglund, Tonya Zillyett, Shannon Light, and Jan Norberg. Unfortunately they didn't advance to districts. Coach Matz was impressed with the team this year despite its age. He says that he is looking forward to a strong team next year with quite a few returning players.

The Bulldogs entered the District tournament again but couldn't come up with a berth to state. Next years team will miss seniors; Steve Alderman, Dean Howard, Mike Loman and Vlady Pandura. The 1980 track season started very optimistically as the Bulldog Boys had 43 hopefuls turn out the first week. 16 of these were lettermen. Although the squad was young with only 5 seniors, the Dogs figured to be very competitive. The Bulldogs were undefeated against class A competition until the league meet, and fared very strongly in their invitationals.

The Dogs finished a strong 4th in the league meet, 4th in the Sub District meet and a very respectable 12th out of the 37 schools represented in our district. Highlites of the year included the outstanding 400 and 1600 meter relay teams. The 1600 meter relay team of Brad Louthan, Jeff Palmer, Alan Hall, and Tony Meyers smashed the school record with a clocking of 3:31.3, winning league, sub district, 2nd in district and a fourth place at state. GRADUATION DAY!

It's a time for joy, a time for tears,
A time we'll treasure through the years
We'll remember always GRADUATION DAY!
At Homecoming, the Senior Ball,
the Hillbilly Tolo,
We loved them all. . .
We'll remember always GRADUATION DAY!
We will all remember Driver's Ed with Reed,
We grew up with Betsy
knowing that next we'd have Ardine.
As we leave Bill's space the final time
We know that Judy will keep us in mind.
Tim and Iris helped us play and sing so fine.
We'll remember Wally - all those typing days,
Sex Ed with Karen-one class
where we all tried for A's.
We remember when we first met John,
And Rick and Louise, and Susan and Ron.
Mariellen helped us through our Senior days.
Tho' we leave in sorrow
all the joys we've known.
We can face tomorrow knowing
we'll never walk alone.
When the old brick walls are far behind
No matter where our path may wind.
We'll remember always GRADUATION DAY!

The Junior High Cheerleaders really gave a lot of spirit to the football and basketball teams this year. The football cheerleaders went to a summer camp to learn new things. They learned new cheers, dances, and other skills. They won three daily evaluations for being most spirited, and they got 1st place Junior High ribbon. Each one of the cheerleaders got a star to put on their cheerleading outfits for the only spirit award. Most importantly they won the overall Grand Champion Trophy.

The girls think its a lot of fun to cheer at pep assemblies and to support their teams. They also think the time they've put into cheerleading is worth-while and they all hope to be cheerleaders again.

The Football cheerleaders of 1979-1980 are Barbi Crass, Julie Tagman, Becky Daniels, Leslie Baker, Tonya Zillyett, and Bridget Bogdonaovich.

The cheerleaders for Basketball are Barbi Crass, Julie Tagman, Julie Hliboki, and Kathy Schilling.

The Pep Club Officers are Dianne Moore-President, Sherion Huffman-Vice President, Tracey Peterson-Secretary, Nikki Hutchinson-Treasure, and Kelly McCaroll-Sargent of Arms. The advisors were Ms. Orwoll and Ms. Arthur.

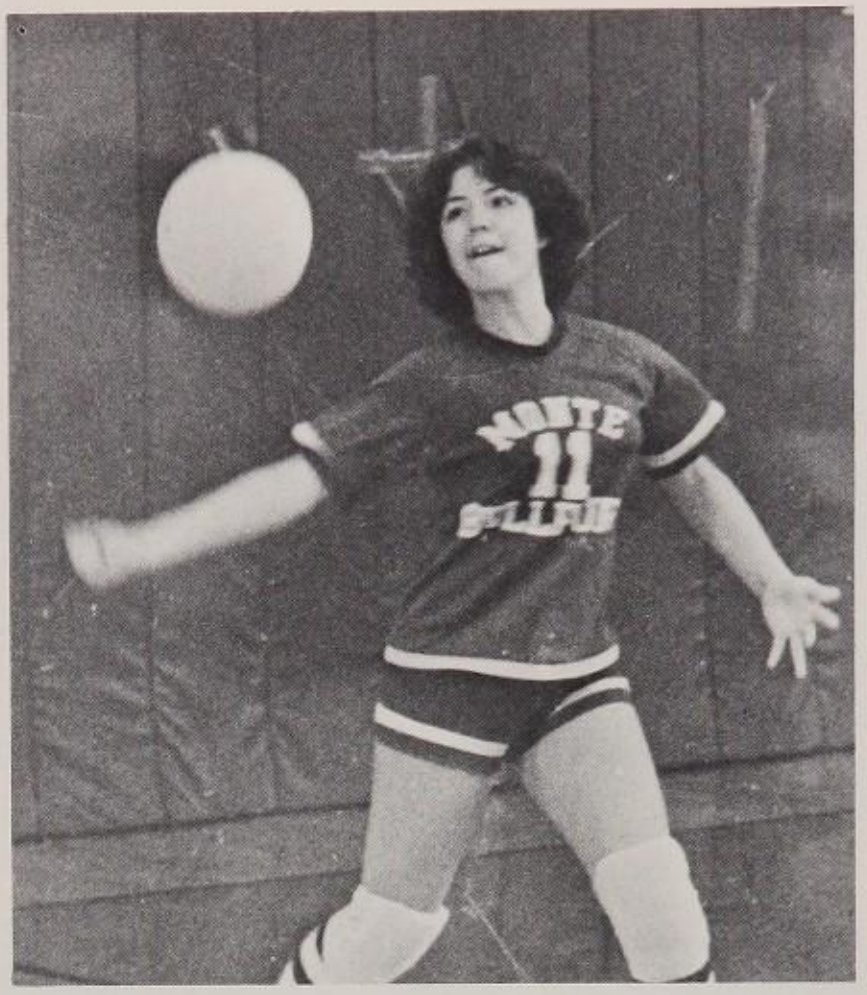
The 7th grade volleyball team has done super well. Coach Falk said, "The team has really stuck together this year. When they played in a game all the girls helped each other out as much as possible." Miss Falk feels that the whole team has really improved a lot.

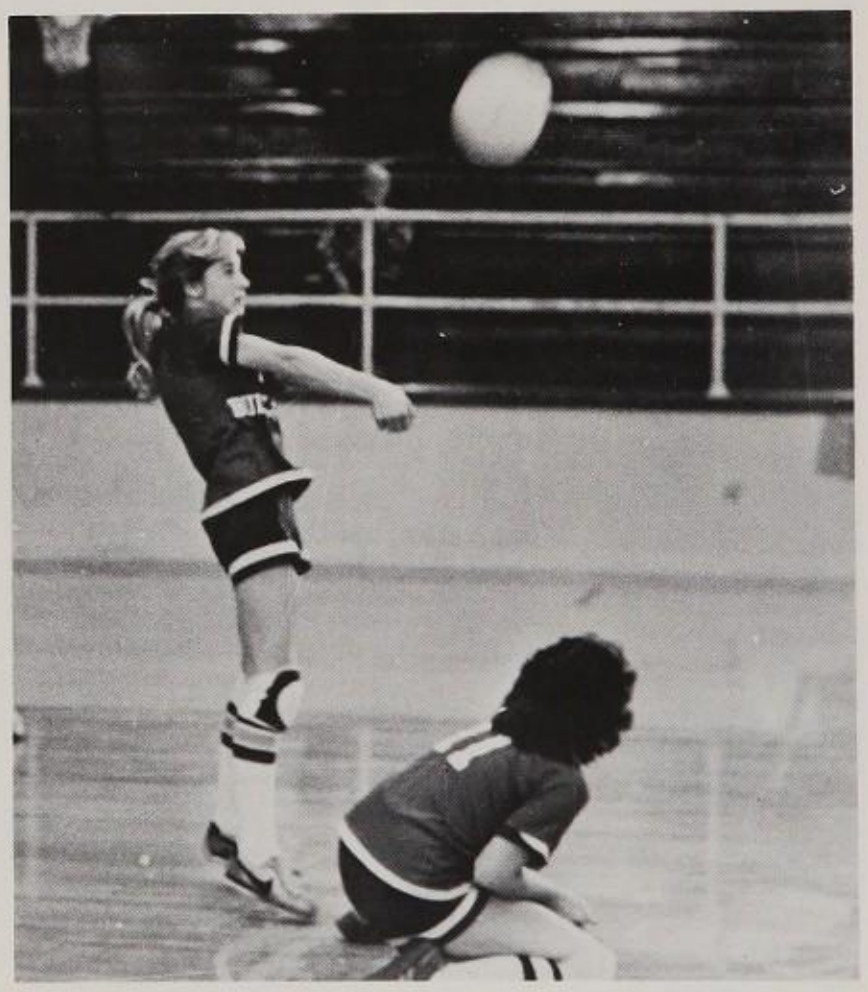
The team has won all their games. Miss Falk feels this is due to sportsmanship, team work, and cooperation. She said, "They are a great team."

Mrs. Westphal, coach of the 8th grade team, says that they have done a super job. She said, "The girls have really improved in their skills since the seventh grade."

During the turnouts, Mrs. Westphal puts a big emphasis on sportsmanship, as well as on the games. According to her, the most important thing is the girls attitudes while playing.

She said, "The girls have learned how to play as a team, not as each person for herself."





Some of the players' attitudes toward the year were: they had a good coach and a good team. They thought their best and hardest games were South Bend and Ocosta because there was a lot of competition.

The Junior High girls basketball team really did well this year. After talking to the coaches of both 7th and 8th grade they agreed that all the girls played well this year. They helped each other out and played as a team.

The best games for the 7th grade were South Bend and Valley, because the scores were close and the girls tried their best. For the 8th grade it was North Beach, because their girls played tough and our girls had to play hard to get the ball. The captain of the 7th grade was Laura Hliboki and 8th grade it was Kristy McEvoy. The most valuable players for 8th grade were Nikki Hutchinson and Mary Murphie. The coaches were impressed with how the girls showed their sportsmanship, and how they incorporated basic skills into action as a team on the court.

The 7th grade coach was Ms. Falk, and the 8th grade coach was Ms. Rice.

BullPup Wrestling Cheerleaders

The Wrestling cheerleaders really helped out the teams by cheering them on. They liked being cheerleaders because they liked representing the school, they made new friends and because they learn how to have confidence in themselves. They think its different from football and basketball because its easier to cheer for an individual sport than a team sport. The cheerleaders think its important to have lots of pep during a match. All of the cheerleaders felt they learned how to get along with other people and how to be a leader.

The Wrestling cheerleaders for 1979-1980 are Leslie Henson, Janell Schloz, Tammy Dodgen, Libby Dodge.

1979 Wrestling Season

The 1979-1980 team started out with a few strong and several inexperienced eighth graders who were willing to learn. The unknowns on the team were the seventh graders who were ready and eager to show their stuff.

With the help of Paul Miller, a local policeman, demonstrating some great moves, with the leaders demonstrations and working with the less experienced, the team began to take shape.

By the first match they were ready, and really went after Raymond. In fact, they went after everyone in the league. Losing only once in a tough match with South Bend. At the tournament the team was again strong with several students walking away with medals. Those receiving medals were Curt Cobain, Scott Sutherby, Mark Sutherby, Craig Granstrom, Kevin Danner, John Fields, and Gary Moore.
